CITI RCR in discipline

Protocol Issued

Determination of Research Form aids in determining if a project meets the federal requirements of research, as defined by the Code of Federal Regulations 45 CFR 46.102. If it is determined that the project **does not meet** the federal standards of research, then a letter is submitted to the student/faculty/staff member stating it does not meet these requirements and they may continue with their project. If the project **doe p(s)(p) (b ((c) (c) (c) (c) (c) (c) (c) (c) (c) (c) (c) (c) (c)(**
